INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
Alexandria, VA 22313-1450

Dear Sir:

Applicant herewith submits forms PTO 1449 for consideration by the Examiner, consistent with the provisions of 37 CFR §§ 1.97 and 1.98. By submitting this Information Disclosure Statement, Applicant makes no admission that any item listed thereupon is material to the patentablility of the invention claimed in the above-entitled patent application. Further, Applicant makes no assertion hereby that a search was conducted, or if conducted, that any search was thorough.

Applicant respectfully requests that the Examiner indicate consideration of the presently cited references by returning the enclosed Form 1449 bearing the Examiner's initials and the date considered.

As this Information Disclosure Statement is being submitted prior to three months after the filing date of this Application, no fee or certification is thought to be required, pursuant to 37 CFR §1.97(b). If Applicant is in error in this regard, please use Deposit Account 01-0885 for payment of any fee that may be due.

Respectfully submitted,

Date: 11/5/03
